# CONFIRMATION PERSISTENT ORGANIC POLLUTANTS (POPS)

**To whom it may concern**

The Regulation (EU) 2019/1021 on Persistent Organic Pollutant ("POPs") bans or restricts the production and use of Persistent Organic Pollutants in the EU. Those are listed in the Annexes of the declaration I to IV.

We hereby declare and confirm that our products do not contain any POPs.

Yours sincerely,

voestalpine Krems GmbH
